### **About Sandusky County Youth Foundation**

Sandusky County Youth Foundation, formerly Building Community Together (BCT), is a philanthropic youth board that raises funds and returns them to the community through youth-led service grants. SCYF provides students with opportunities to develop leadership skills, learn how boards operate, and directly support youth-driven projects throughout Sandusky County. The program began in 2001 through The Ohio State University Extension, 4-H Youth Development, as part of a multi-state initiative focused on building youth-adult partnerships to address community needs. SCYF is open to students in grades 8–12 who live in, attend school in, work in, or are otherwise affiliated with Sandusky County. Interested youth are encouraged to apply for membership.
